Executive Director's Update:

- I hope that everyone enjoyed our staff in-service on March 18th and learned something that you can use at work and in your life. Congratulations to all of our award recipients! On behalf of the Batavia Party House, we apologize for the issues with the food. Thank you to all staff who completed the evaluation form for the event. A copy of the survey tally is included in the newsletter. The Events team will also review the comments to look for ways to improve future events.
- Our annual Community Appreciation Luncheon will be held on Monday, May 16th at the Elba Fire Dept. Recreation hall. Thank you to program staff who have made arrangements to have display boards updated and will be available to answer questions about your program. Thank you also to staff who are arranging for customer testimonials, these are an effective way to show what Community Action is all about.
- We have received funding from the GLOW Workforce Investment Board to operate the Disability Employment Initiative (DEI) program. This program replaces the former DPN that ended in August last year. The program goals and outcomes are very similar to the previous program. Welcome back Jen!

- As many of you know, the Federal government finally passed a budget for the current fiscal year. This budget includes a 3% cut in funding for our CSBG funding. The budget battle is just beginning for the upcoming fiscal year, which starts in October. We expect that CSBG will suffer another reduction. Our other programs are under assault too. Our CSBG funded programs have been running at a deficit for the past couple of years, however, this wasn't an immediate concern because we received "stimulus" funding which was able to absorb some of the costs of these programs. Our funding reduction, coupled with the end of the "stimulus" grant and increasing costs (i.e. fuel, utilities, fringe benefits, etc), have created a deficit situation that must be addressed. All of our programs have been impacted by increases in the cost of providing services. Our Head Start/EHS program was overspent this past year by nearly \$20,000. This was caused primarily by fuel costs, higher than expected unemployment expense, and employees working more time than budgeted. We are developing systems to better monitor our spending to ensure we "live within our means", but the reality is that our funding will not support our current level of spending. This is true in other programs as well (i.e. think about the impact of fuel prices on the CATS budget!). Therefore, we will need to make reductions in our spending. We cannot continue to do business as usual, we need to increase our efforts to be as efficient and effective as possible with the resources that we have. As a result, the director's team and I have decided to cancel this year's staff picnic. Some other reductions are already being implemented in programs and every area of expense needs to be scrutinized. **WE NEED YOUR HELP.** We are looking for your ideas on where our programs and the agency can reduce spending. Where do you think we can tighten our belt? We have set up a survey on our website so that all staff can give input at: <http://www.caoginc.org/resources/staff-resources/> (on the staff resources page). All responses are totally anonymous (unless you opt to provide your name) to provide the opportunity to provide unfiltered input. **PLEASE** take the time to give your thoughts. You can submit as many ideas as you have! All ideas will be considered! My goal is to make reductions to our spending that will have the least impact on our services and customers. It's very possible that we will be forced to reduce staffing, in terms of scheduled hours and/or number of positions. We want to be sure we look at every opportunity to reduce costs and increase efficiency before we look at any further staff reductions. Please complete the survey by Friday, May 6th. Thank you, in advance, for your input!

AGENCY AWARD WINNERS!!

March 18th, 2011

Winners of our Vision and Values Award:

The Vision and Values Award is presented to recognize someone other than an employee of the agency, who has exemplified the mission, vision, and values of Community Action through their service to our agency or other organizations in the community. This year we have decided to award two vision and value awards.

Our first recipient of the Vision and Values Award is... **Cassandra Ploessel**

Our second recipient of the Vision and Values Award is... **Dale Swindon**

Agency Staff Awards and Recognitions

SPECIAL RECOGNITION

GOOD JOB to John Read, Norm Michael, Julie McAdoo, James Willis and any other staff who helped to take care of shoveling snow and keeping our walkways salted this winter. It was a long winter and thanks to your efforts, we had no injuries from falls on the ice this year! Thanks for keeping us safe!

ACCIDENT FREE Transportation Department - These men and women drive through all conditions and have the enormous responsibility to safely deliver their passengers. We had no accidents this year that can be attributed to our drivers – we had a couple deer strikes and one accident caused by another driver. Thank you for your hard work!

Commitment and dedication to the mission, vision, and values of the agency carries over to her work in the community

Respected for her knowledge, willingness and ability to assist and work with a variety of people both in and outside of the agency

Very special woman and employee – is caring – we should feel honored to have her working here

Increased our presence in the service area through spots on WBTA, presentations and a renewed focus on Family Development

Might complain about the workload at times, but she has gotten it done

Honest and direct and gets right to the point with everyone, making them responsible for their Actions, yet giving them a helping hand

People can ask her for help without feeling uncomfortable

Person we can count on

Directors Award – Lisa Church

In 2004 we instituted the Director's Award to recognize one outstanding employee who the Director's team selects for special recognition. In choosing a recipient for this award we consider the following:

- Faithfully carries out the mission of the agency
- Exemplary attitude with clients, staff, and community
- Good attendance and work record
- Respected by staff and clients
- Friendly, personable and polite
- Exhibits respect to others, even in difficult situations
- Willingness to "go the extra mile"
- Is a Team player

The person chosen can be full-time or part time, and will have been noticed to meet the above criteria by all Director's, either directly or through input from others.

The Staff Director Award this year goes to Lisa Church. Lisa has been employed by Community Action since October, 1999. In her role she is responsible for daily preparing, serving and cleaning up from breakfast, lunch and snack for all of the Head Start children from birth- 5 in the Batavia Head Start Center. She is also responsible for all of the paperwork, ordering, regulations, etc that go with the food service end of the program. She is an excellent Cook (as anyone who has ever tasted her meals will agree), is wonderful with the children and parents and is a true team player. Lisa knows the importance of assuring that all of the regulations are followed regarding food preparation, equipment, etc. She regularly does her job (and does it well) with a positive attitude. Lisa is very dedicated and (I've heard) will tell you like it is, whether you want to hear it or not! Lisa has served on the Health & Nutrition Advisory since she began at Community Action. She is a true professional, has a strong sense of the important work done throughout Community Action, and is always willing to go the extra mile. Lisa has been a vital part of the Staff Satisfaction KRA (now Action Team) since it began, and has willingly served in other capacities as she has been asked and or volunteered. All of the Director's think Lisa is a fine example of an employee who fulfills not only the program mission but the mission of the entire agency. Thank you Lisa for your ongoing service to Community Action and your dedication to our mission.

National Grid will be at Community Action in Albion the last Thursday of every month from 9a.m. to 12 p.m. to talk to anyone who needs assistance. It could be learning how to read your electric bill, to learning ways to save on your bill or any questions or concerns you may have.

The next session will be Thursday, May 26th

REMINDER

CO DETECTOR

This law was put into effect by New York State in February 2010. It is mandated that all residences have a carbon monoxide detector installed. Jim Soccio, our Weatherization Coordinator, gathered the following information to make you aware of the facts.

What is Carbon Monoxide (CO)?

- Deadly – Odorless – Colorless Poison Gas
- Produced from incomplete burning of fuels (coal, wood, charcoal, oil, kerosene, propane, and natural gas)

What are the symptoms of CO poisoning – initial or low to moderate exposure?

- Headache
- Fatigue
- Shortness of Breath
- Nausea
- Dizziness

Symptoms of CO poisoning – high level or severe? (Severity related to CO level & duration of exposure)

- Mental confusion
- Vomiting
- Loss of Muscular coordination
- Loss of consciousness & ultimately death

How can I prevent CO poisoning?

- Make sure all appliances are installed and operated correctly
- Never service fuel burning appliances without proper knowledge, skill and tools
- Never operate a portable generator or any gasoline tool in or near and enclosed space
- Install a CO alarm that meets the requirements of the current UL, 2034 or CSA 6.19 standards
- Never leave a car running in an attached garage – even with the garage door open
- Never use gas appliances to heat your home.
- Never operate unvented fuel-burning appliances where people are sleeping
- Do not cover the bottom of natural gas or propane ovens with aluminum foil

How should I install a CO alarm?

- Into a plug-in receptacle or high on the wall & wired & should have battery back up
- Avoid locations near heating vents or covering with furniture or draperies
- Do not install in kitchens or above fuel-burning appliances
- Every level of the home and especially outside sleeping areas

What if I am experiencing symptoms?

- Get outside immediately
- Call the fire department

NEVER IGNORE A CO ALARM!!!!

Move outside to fresh air and contact 911 or your local fire department.

NEW STAFF

Jessica Allen – 03/14/2011 – Head Start Sub – Medina

Jessica Lester – 03/14/2011 – Head Start Sub – Medina

Jennifer Forward – 03/21/2011 – Disabilities Resource Coordinator

Jennifer is back – she worked here last year as Disabilities Program Navigator. When that program ended we lost Jennifer, but not for long. This program is similar to the DPN, but encompasses only Genesee and Orleans Counties of the GLOW area. She lives in East Bethany with her husband, Greg and sons, Matt and Ben. She is a volunteer coach and glad to be back at Community Action.

Donna Caton – 04/04/2011 – Head Start Bus Driver - Medina

Donna lives in Albion with her husband. Together they have 7 children and 6 grandchildren. Donna likes race cars and spending a lot of time with her family camping and racing. Donna started working as a sub and as of April 25th will become a full time Head Start Bus Driver for the Medina Center.

Virgie Brooks – 04/25/2011 – Sub Bus Driver

Virgie lives in Albion with her significant other Larry. She has 2 sons, Larry (23) and Travis (21). She enjoys gardening, walking, reading, and spoiling her family. She also works part time at TOPS in the bakery department.

Hank Dykes – 04/25/2011 – Head Start Bus Driver – Batavia

Hank lives in Corfu with his wife. He enjoys fishing.

WAY TO GO, JANET!!

April is National Volunteer Recognition Month. As part of the Oakfield-Alabama School celebration, Janet Foppes received an award for her volunteer work as the seamstress for the drama club's Spring musicals.

The News from Bonnie

I am taking this opportunity to thank all staff who are working at Community Action in these uncertain times. As Ed has said, the funding is not as bad as might have been expected, but it is clear that the next few years are going to be very difficult as far as budgets and funding. In all of the programs we are going to be expected to do more with less. This seems to be common right now in programs dependent upon state and federal funding. It is especially hard to hear this as we know that the challenges seem to be greater in providing quality service in so many areas. Even with these difficulties, I want to point out some current highlights of the Children & Youth Division:

- 1) CCR&R is keeping up with their milestones and handling the extra workload of the NACCRRRA (National Association of Child Care Resource & Referral Agencies) certification. Nice job Lisa Friesen and CCR&R staff!
- 2) Jan Albanese, Stacey Radford and Cathy French have implemented the new ACT program, despite difficulties with the state in using new curriculums and expanding into Genesee County. Good team work!
- 3) Head Start staff, at all levels have begun the "Journey 2011-12" with Lou Sweigman to help us all learn more about and become more sensitive to others. We are doing this through knowledge and awareness of our own and other people's background and cultures! This is an important journey for us all to take!
- 4) The Managers have worked together, with staff, to implement the "4 P's" (Purpose, Picture, Plan, and Part to Play) as a part of assuring that all staff are involved in quality programming and have input in the present and future. Nice team work and planning!
- 5) The Head Start staff, children and parents have all had opportunity to learn from the Eat Well Play Hard program this year. The program has focused on educating about proper nutrition, exercise and physical health in all areas and the importance of these in child development. This is a demonstration of program quality at its best! Nice job to Jackie DeMarco, Pam Wadhams, and Pat McCall-Small for arranging and organizing the program and for all involved, including those who helped support the extra parenting classes.
- 6) Head Start Home-based program staff are undergoing extensive changes to better serve home-based children and parents from birth to five. This is a wonderful program option and provides the opportunity for parents to truly improve their parenting skills as they are the "most important teacher" for their child. Hats off to Becky Capwell, Joan Mrzywka, Sherry Martin and Linda Karp for the work they do in the Home-based option!
- 7) Congratulations to Deb Whittier, Alana Fabry and Brian Albanese for the work they have done with individual youth at the Holley Youth Center to help them meet their health goals!

- 8) Congratulations to Ruth Bell, Early Head Start Primary Caregiver in Batavia, for completing her Infant/Toddler CDA (Certification as an Infant/Toddler Caregiver). Receiving this takes a lot of hard work over a long period of time. **NICE JOB RUTH!!**

I'm sure there are additional examples as I know that every day every staff person makes a difference in the lives of others. When we get discouraged we need to remember that!

Please note the application for the Beth Nesbitt Scholarship in this newsletter. This is an opportunity for current Head Start staff, current or past Head Start parents and/or children to apply for some funding to help you further your education. All applications are due by June 3.

Hope you all enjoy the spring (if it ever gets here) and know that you are appreciated! Thank you for what you do every day!

ANNETTE'S NEWS

A bus tour to Batavia Downs was a real success with 25 senior citizens on each bus. Everyone had a great time and the response was that they want to return.

We have been contacted by The National Board of the Emergency Food and Shelter Program that this year's FEMA money may be decreased by 50% or possibly end. This would mean that Community Action may lose money that we have had over the past few years to assist consumers with rent, food, utility bills.

Main Street Store Report:

- Month of February being short and a very cold month, the store brought in \$2,300.00
- Work Experience Certification Course has 9 people enrolled 1 has secured a job
- Women's Self-Sufficiency Program has 20 women enrolled 3 have completed the goals and 3 have found employment
- Tech N Time Community Computers has at any given time 10 people using computers

The Main Street Store needs everyone's support. We are trying to find any and all available options for the store and the services we offer. Part of this is advertising and making the public aware of the store and what we offer, word of mouth is our best PR. We need volunteers, if you would like to volunteer or know of someone who wants to volunteer, please contact Annette or Michelle at 589-5605 or 589-1430.

MAY IS COMMUNITY ACTION MONTH

What is Community Action Month?

National Community Action Month in May was created by the Community Action Partnership to reinforce Community Action Agencies' role helping low-income families achieve economic stability.

During National Community Action Month, Community Action Agencies truly make the **Promise of Community Action**—to help people and change lives—come alive by hosting events that help put a "face" on the families living in poverty and the dedicated individuals who are helping them escape it. Success stories are honored and personal achievements are recognized. Some governors and mayors even proclaim May "Community Action Month" in their states and cities.

ANGELS IN OUR MIDST

- ❖ Starting May 1st you can buy an Angel for \$ 1.00.
- ❖ Look for ANGEL BANKS in Orleans County at different locations

Money collected from these projects will go to the Angel Crisis Fund. For more information contact Joni Dix at 589-5605.

Thumbs Up for Sun Safe Kids Program

GOALS

- Create awareness of the dangers to children associated with unprotected exposure to the sun and ultra violet rays.
- Teach simple techniques to create a "Sun Safe" environment to help in the prevention of eye and skin cancer in children.

We are collecting sun protection products (sunglasses or sunscreen) to distribute to children. Help us make sure the children in our community are SUN SAFE! For more information contact Joni Dix at 585-589-5605

TOUR TOUR TOUR

Do you know how many different locations Community Action has???? Would you like to see them???

There will be a bus tour on Friday, May 27th to see some of the agency you may not normally get to see. Snacks and lunch will be provided and it will be a fun day.

Call Annette Finch for details and to sign up – 589-5605.

PROCEEDS TO BENEFIT THE MENDING HOMES TOGETHER PROGRAM

WHAT IS THE TRUE COST OF HEALTHCARE????

While a visit to your family doctor can vary in price the average they charge is \$ 100.00

Your minimum heart attack cost for this overall experience will be about \$45,000-\$50,000! If the Coronary Angioplasty procedure cannot repair your damage and open heart surgery is needed, your heart attack cost could more than double. By choosing foods with lower fat and cholesterol content, quitting smoking... if you do smoke, keeping your blood pressure under control, and exercising regularly, you may avoid this dangerous and costly experience... and eliminate heart attack cost for good.

The average cost of diabetes care for a person without insurance can exceed \$20,000 per year in out-of-pocket costs for routine doctor visits, lab work, and diabetes medications, insulin, and testing supplies. Not included in this figure are the costs of hospitalization, or the purchase of an insulin pump (approximately \$6,500).

With the Basix Health Insurance your co-pay for the family doctor would be \$ 25.00 and for the heart doctor it would be \$ 40.00 – that is a lot less than having NO insurance. If you wanted to purchase insurance for your family and the agency did not pay anything toward that you would pay from \$778.90 a month to \$ 1427.99 a month depending on the plan you choose.
