TOP TIPS TO BEAT THE HEAT

**H₂O
to go**

Take a bottle of cold water with you when you're out and about.

Avoid

Alcohol, tea, coffee and hot, spicy and salty foods can make dehydration worse, so think about avoiding them during hot weather.

Be cool

Make use of fans or air-conditioners set to cool.

Rest

Make sure you get enough sleep and rest if you feel tired.

Dress down

Wear lightweight, light coloured, loose-fitting clothes made from natural fibres, like cotton or linen.

Soak

Take a cool shower or bath to help you cool down when you feel hot.

Shade

Wear a hat or take an umbrella with you for shade if you're outside on a hot day.

Enjoy

Try eating more cold foods, like salads and fruits. They contain water and are more refreshing in hot weather than hot foods.

**WATCH
OUT**

- Be on the lookout for any symptoms of heat related illness.
- See your GP if you are unwell.
- In a medical emergency, call 000.
